Dear Vickie and Jimmy:

This is the second time today that I have started to write to you because the weather is very stormy with a high wind and the electricity has been off, and since it is back on again I will start over.

Our Easter Sunday was very nice and the dinner seems to have been edible, at least I was told it was very delicious.

Diame found her Easter basket with a little trouble so I had to give her some hints as it was in the closet in the hamper. We played some bridge which workes out fine as it gives the person who wants to quit a chance to do some thing else. Ginger, the dog was here also and behaved nicely, however she was taken outside now and then to be sure she didn't find a good spot in the house which might make her think of a hydrant or bush which has happened.

I haven't worked in the yard for about four or five days because of the rain but sunny weather should show up soon. I will stop for now and it will be really nice to see you in July.

Love,
mom
